COMP2065 - Introduction to Formal Reasoning

Tutorial

Zhili Tian
zhili.tian@nottingham.ac.uk

University of Nottingham

About me

- I am a PhD student at Functional Programming Lab
- I study functional programming and type theory
- I help teach:
  - Programming Paradigm - Haskell (level 1 spring term)
  - Introduction to Formal Reasoning (this one)
  - Language and Computation - (level 2 spring term)
  - Programs, Proofs and Types - (level 4 spring term)
- I am a prize winner

Figure: Nobel Prize in Tutoring 2026

About Tutorial

- 11:00 - 11:50
- QR code
- Lecture notes and live coding (~20 mins)
- Exercise (~20 mins)
- Answer (~10 mins)

How to learn this course?

- READ the lecture notes!!!
- GO to the lab session!!!
- COME to the tutorial!!!
